TAKE A BITE OUT OF GRIME!

Great Wipes pre-moistened industrial strength hand towels are perfect anywhere, anytime. Each towel has dual-textured scrubbing power and absorbent, non-scratching cleaning agents. The result? Hands that are clean and left residue-free with a pleasant orange fragrance.

These heavy-duty towels help remove even the most stubborn:

- Dirt • Tar • Oils • Grease • Paints
- Adhesives • Epoxies • Caulk • Lubricants

Paint & Inks

Getting Started

Remove the lid from the bucket. Pull towels up from the center of the roll. Thread through the X opening in the lid. Replace the lid.

Directions for Use

Pull up Great Wipes and tear off along perforation. Open and unfold towel. Use the smooth side for small, easy-to-remove messes and the textured side for heavy-duty grime. Dispose of towel properly. Close lid to retain moisture. In colder climates, protect from freezing. However, if Great Wipes freezes, towels still may be used once they are thawed.

KEEP OUT OF REACH OF CHILDREN: Do not use as a baby wipe.

CAUTION: For external use only. Do not allow towel contact with eyes.

For additional information, read the Safety Data Sheet for this product.

HMIS Rating: Health-0; Flammability-1; Reactivity-0; and Personal Protection-None. **INGREDIENTS:** Aqua/Water/Eau, C12-15 Alketh-7, C13-14 Isoalkane, Dimethyl Adipate, Dimethyl Glutarate, Fragrance/Parfum, Propylene Glycol, Glycerin, Isopropyl Myristate, Tocopheryl Acetate, Aloe Barbadensis leaf Juice, Diethylhexyl Sodium Sulfosuccinate, Phenoxyethanol, Neopentyl Glycol, Iodopropynyl Butylcarbamate.
